SUBJECT — Construction of Cooking sheds in all the Taluk-Lockups of the Kadur District

LAST REFERENCE — Letter No. 1301 dated 30th August 01 from the Inspector General of Prisons in Mysore

The Deputy Commissioner, Kadur District, reports that there are at present no cooking sheds attached to the Taluk Lockups in his district, and requests that, as their existence is very necessary in the Malnad especially during monsoons, six sheds may be caused to be constructed as per plan

MGCPE- -20-2-1901-500

attached by him at a cost of Rs540 (Rs90 for each shed).

The Inspector General requests sanction to the disposal of the Dy Comr.'s suggests that the cost may be ordered to be met from the D.P.W. Budget.

The question of erecting cooking sheds in the Taluk lockups came before Govt in 1882 when it was decided that "considering that the prisoners in Taluk Cutcherries are for the most part under-trial prisoners or persons im-prisoned for a few days only and that there will be difficulty in persons of different castes using the same Cookroom, there seems no occasion at present to take any steps in the matter." (vide Govt Pro: No. 7658-66/231 d: 4th Jan: 1882) Subd for orders. The Chief

engineer may be consulted:

SN
30/9/01 The Chief Engineer was already consulted by the Dy Comr on this matter, ~~to the extent~~ and expressed the opinion that he was precluded by the Order of 4th Sept. 1901 from entertaining the proposal. ~~first~~ he advised the Dy Comr if he thought these working sheds were a necessity, particularly in Mahrad tracks, to address Govt in the Land dept.

A further reference to the same officer is therefore unnecessary except with regard to the question of ~~the~~ funds, which if the full amount asked for Rs 540, could be raised ~~appropriated~~ from the D.C.W. budget.

(Reports from the Deputy) Commissioners of all the Districts to Deccan Proceedings No: 4673-80/132 of the 2d. September 1881—

Order thereon No 7658-66/231 dt. 4th January 1882.

Cooking rooms appear to be provided for the Bazar depoys at all the Taluk Kutcheries similar provision does not exist in regard to prisoners. They cook their food under trees within the Compounds of Taluk Kutcheries or in the neighbourhood, or when they prefer it and no objections exists, Under trial prisoners are allowed to get their own food.

Concerning that the prisoners in Taluk Kutcheries are for the most part under trial prisoners or persons imprisoned for a few days only and that there will be difficulty in person
